MASSAGES

DUNE MASSAGE

Traditional relaxing massage, stimulating the oxygenation and nourishment of muscular tissue, in addition to revitalising your immune system and the metabolism of internal organs. Your skin will feel radiant and renewed by our selection of natural oils, while your spirit departs toward the profound, peaceful rest of wellbeing.

60min | 90min

CURE FOR ALL ILLS

Eradicate stress and mental strain with a combination of muscle manipulation and Mayan herbal compresses specifically designed to release tension, strengthen the immune system, and reinvigorate internal organs. Your body will be blessed with a loving cure from the skilled hands of our artisans a cure of positive vibes only followed by an elixir of restorative herbal tea.

30min | 60min

XÍWCANNABIS

Mayan body massage, drawing from ancient Mayan tradition and the riches of Mother Earth to form a loving embrace of vital energy helping us to unblock and rebalance our own. The bountiful properties of CBD oil (therapeutic grade cannabis) are used to profoundly stimulate your muscle tissue, and by activating specific channels in your body's meridian system, will carry you to a state of absolute wellbeing.

60min | 90min

WOOKO'OB

Our feet are an essential part of our being, with nerve endings receiving stimuli that carries over to, and can affect, our internal organs. These stimuli can be catalysed through our ritual of Mayan Reflexology, revitalising and reactivating the nerve endings that channel energy to our internal organs, thus restoring wellbeing and balance. Includes a foot wrap treatment, followed by a massage on specific acupressure points and meridian channels throughout feet, head, shoulders, and neck, accompanied by soothing natural aromatherapy. Your body will be eternally grateful for the loving care you have granted yourself !

KUXTAL JOURNEY | 90MIN

A ritual created as a celebration of life itself, beginning with an exfoliating blend of Mayan honey and the soft sands of the Caribbean, followed by a massage designed to release energetic blockages from the body. Accompanied by the soothing sound of the sea, the experience continues with a Táankelem (youth) facial and concludes with a revitalizing tea elixir.

YAAKUNAJ JOURNEY | 100 MIN

A wellness journey for two! Enjoy an energetic cleansing followed by a love ceremony... your skin will experience a luxurious exfoliation with bamboo seeds and Mayan honey, followed by a gentle and nurturing herbal massage designed to regenerate and revitalize. At the end of this journey with your partner, indulge in a selection of exotic and exquisite bites along with a red berry elixir, specially prepared to awaken passion, balance, and well-being.

ABRAZOLUÚM JOURNEY | 90MIN

This ritual is a gift from the earth, offering the blessings of tamarind with its anti-inflammatory, diuretic, and purifying properties. Begin by cleansing the skin with a revitalizing and regenerative exfoliation, followed by wrapping your body in the warm embrace of a tamarind body mask. The experience continues with an energizing and slimming massage designed to restore vitality and lightness. During the body wrap, you will also enjoy a foot reflexology treatment, stimulating the sensory nerves and releasing any blockages from your inner energy, vitality, and sense of well-being.

CUENCOS TIBETANOS | 45MIN

The continuous vibrations produced by a specially crafted standing bell create sensations similar to a sonic massage. Allow these vibrations to guide you into a state of deep meditation and self-healing. Restore your physical and emotional well-being, and embrace with gratitude the spirituality within your being.

BODY TREATMENTS

IXCHEL RENACER

A sacred treatment inspired by the ancient Maya wisdom, specially designed to accompany the physical, emotional, and energetic recovery process of a woman after childbirth. This ritual honors the transformation of the maternal body, helping to restore firmness, balance, and vitality. 'Ixchel Renacer' is named after the Maya goddess of the moon, healing, and fertility. Just as she protects and guides women through their life cycle, this treatment envelops you with care and purpose in a deep process of closure, cleansing, and restoration.

YAX DETOX

A refreshing and slimming body treatment, ideal for those looking to drain, reduce inflammation, and tone specific areas of the body. The cold wraps, combined with a firming massage and exfoliation, activate circulation, reduce measurements, and provide an immediate feeling of relaxation and lightness.

60 min

DESPERTAR DORADO

Prepare your skin to receive the sun with health and beauty. This treatment is designed to activate the skin from within, creating the perfect foundation for a more even, natural, and long-lasting tan.

45 min

AFTER SUN

Calm, repair, and hydrate your skin after sun exposure. This ritual helps reduce redness, prevent peeling, and prolong the tan, using natural ingredients that refresh and regenerate the skin.

45 min

ARCILLA SAGRADA

Immerse yourself in an ancestral wellness experience with our mud treatment, designed to detoxify, nourish, and deeply revitalize your skin. We apply a natural mineral-rich mud wrap that works by absorbing impurities, stimulating circulation, and providing essential nutrients to your skin. While the mud works, you'll enjoy a moment of deep relaxation that releases physical and emotional tension. Afterward, your skin will feel soft, toned, and visibly renewed, and you'll feel balanced, light, and full of energy. Ideal for those seeking a deep cleanse and a reconnection with their inner well-being

FACIALS

CANABIS FACIAL

Immerse yourself in a deeply therapeutic experience that combines the best of holistic skin care with the healing power of cannabis. This facial uses natural extracts rich in CBD, known for their anti-inflammatory, antioxidant, and calming properties, to balance the skin, reduce redness, and promote deep cellular regeneration

30 min

SAK FACIAL

Deep Nutrition Ritual and Inner Reconnection

This treatment is designed to restore your skin's natural balance through deep and mindful hydration. We use botanical formulas rich in minerals, essential oils, and natural actives that bring elasticity, softness, and radiance back to the face.

60 min

NICTÉ FACIAL

It combines traditional deep cleansing with a holistic approach that cares for both the skin and emotional well-being. Through gentle extractions, mineral exfoliation, and natural-origin purifying masks, we release accumulated impurities and revitalize the skin from its core. Complemented by draining massage techniques, aromatherapy, and a moment of inner reconnection, this treatment aims not only for clean, fresh skin but also for a feeling of lightness, clarity, and energetic renewal.
